Addis Ababa, Ethiopia

Dear Special Self-Help Program Applicant:

Thank you for your letter requesting the assistance of the United States Embassy in achieving the goals of your project. The Ambassador's Special Self-Help Program (SSHP) provides financial assistance to community-initiated activities in Ethiopia that **promote self-reliance and foster development** in the areas of education, health, water and sanitation, the environment, skills-building and income generation, among others.

Projects selected for Special Self-Help funding:

- Are initiated by the community or village, and benefit residents by increasing income or improving living conditions.
- Are sustainable and do not require continued outside support after the one-time contribution from the SSHP.
- Require substantial community contributions in the form of cash, labor or materials.
- Are completed within one year.

The maximum award for funded projects is USD 12,000, and most Self-Help grants are between USD 10,000 and 12,000. All grants are "one-time only."

Each year, **the SSHP accepts applications until March 31st to be funded during the following U.S. fiscal year**, beginning October 1st and ending September 30th. Please review the criteria noted above as well as in *Frequently Asked Questions about the Ambassador's Special Self-Help Program*, and consider carefully whether your project qualifies. If so, please complete the attached application form, and answer each question as carefully and as fully as you can. Please return the enclosed application, and attach pro-forma invoices for all products and services you are requesting to purchase.

Thank you again for your interest in the SSHP and best of luck in your endeavors.

Sincerely,
Small Projects Office
U.S. Embassy, Addis Ababa
